Company Profile

SurgiTech international is a family owned organization working for more than 40 years founded in Sialkot, Pakistan.

It enables us a lifetime of knowledge about the world of surgical instruments. This knowledge allows us to better understand the needs of our customers in a way most other instrument companies are unable to do. SurgiTech international is manufacturers and exporters of High Quality Surgical/Medical instruments for all specialties: i.e. General Surgical Instruments, ENT Instruments, Plastic Surgery Instruments, Dermal Instruments, Liposuction Cannulas and Accessories, Electrosurgical Instruments, Gynecology Instruments, Neurosurgical and Microsurgical Instruments, Spinal Instruments, Orthopedic Instruments, Orthopedic Implants, Dental Instruments, Cardiovascular/Thoracic Instruments, Urological Instruments, Arthroscopic Instruments, Veterinary Instruments, Colon and Rectal, Ophthalmic Instruments.

SurgiTech international committed to deliver excellent services and quality products at affordable prices to our value able buyers.

We assure you that working with us will be a most profitable and satisfactory experience for you because we consider our customers as our partners and we work for their complete satisfaction. Since we are a family owned manufacturing company, we provide knowledgeable, professional and prompt 24/7 live customer service.

Most of our items are available in stock and on order confirmation it is dispatched on the same day, detailed pictures of the order and DHL/FEDEX Tracking number is also provided. If something is not available in stock.

It needs 5-10 days to manufacture.

All our Instruments are manufactured from Japanese, German and Pakistani Stainless steel.

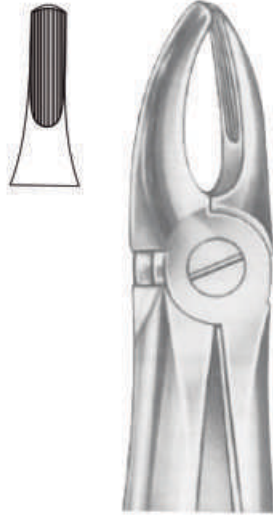

We have professional approach in throughout product manufacturing process, from material to heat treatment, from pickling to electro-polishing, from fixing to ultrasonic cleaning. Worldwide reputation is on our credit for excellent services and best quality products. All products are hand finished to perfection, many years of experience and knowledge is behind our success.

We are Original Equipment Manufacturer (OEM) and also offer Own Brand Labeling (OBL) for your instruments.
